On September 26, 2017, the City Council of the City of Turlock unanimously adopted Resolution No. 2017-243.

A copy of the body of the Resolution, provided on the reverse side of this page, aims to set the standard for Turlock as a community that has an inclusive, diverse vision for all residents.

Your City Council is committed to fostering and protecting diversity, ensuring that all people in our town are made to feel welcome, accepted, and safe.

Turlock is respected throughout the Central Valley due to its strong economic base and quality of life. We believe that this begins and depends on the quality of interactions among our community members. From our leaders, faith based organizations, other non-governmental organizations, and educators, to our neighbors, parents, and children, Turlock's citizens have made our community into the region's greatest city.

May this Resolution be a reminder to us all, that it is a fundamental right to be safe and accepted as a part of this community and to be treated with respect and kindness.

Your Council respectfully asks you to join our efforts to celebrate our differences, to increase our understanding of others, and to set the example of what acceptance means in the Central Valley.

Sincerely,

Turlock City Council

BEFORE THE CITY COUNCIL OF THE CITY OF TURLOCK

IN THE MATTER OF SUPPORTING THE
RESOLUTION "NOT IN OUR COMMUNITY"
OPPOSING ANY ACTS OF DISCRIMINATION

} RESOLUTION NO. 2017-243
}
}
}

WHEREAS, bullying, harassment, and hate crimes have increased in cities and communities across America; and

WHEREAS, the County of Stanislaus and City of Turlock welcome and value diverse racial, ethnic, religious, and national backgrounds, and further recognize that our diversity is critical to the economic, cultural, and social well-being of our community; and

WHEREAS, history has tragically taught us what happens when people stand silently by and allow acts of intolerance, hatred, and violence to occur; and

WHEREAS, people often feel isolated, without hope, and helpless to do anything individually to end hate crime; and

WHEREAS, people in communities across our nation have stood up and successfully opposed any acts of discrimination committed against their neighbors.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Turlock and its elected representatives stand up against bigotry, hate-based groups, and hate-based crime of all kinds within our organization and throughout the community and declares that no one shall be discriminated against because of race, faith, ethnicity, national origin, legal status, gender, age, disability, sexual orientation, or any other real or perceived difference.

BE IT FURTHER RESOLVED the City of Turlock stands together with all people of good faith across the nation in an effort to push back the rising tide of bullying, harassment, racism, and hate crimes to proclaim "Not in our City, Not in our Country, Not in our Community, Not in Turlock."

PASSED AND ADOPTED at a regular meeting of the City Council of the City of Turlock this 26th day of September, 2017.

Be a responsible pet owner.

SCOOP THE POOP

WHEN EXERCISING YOUR DOG IN TURLOCK

1. Pick up all dog waste immediately
2. Carry a dog waste bag at all times
3. Keep your dog on a leash unless inside an official dog park

YOU CAN BE CITED AND FINED FOR NOT FOLLOWING THESE RULES

DID YOU KNOW.....

- 🐾 That there are an estimated 74.8 million dogs owned in the United States, which create 72.5 billion pounds of dog waste every year!
- 🐾 That just one gram of pet waste contains an average of 23 million fecal coliform bacteria. Some of these bacteria can cause serious gastrointestinal infections, as well as infections to the ear, eye, and throat in humans.
- 🐾 When pet waste is tossed into a storm drain or left on the sidewalk, street or yard, it is carried by rainwater through the storm sewer system directly into our local water bodies, without any treatment!

“DOO” THE RIGHT THING....

FLUSH IT.

The best way to dispose of pet waste is to flush it down the toilet. Just remember to remove the waste from the bag or the litter before putting it in the toilet.

OR

SCOOP THE POOP.

Bag it and put it in the trash. Landfills are designed to safely handle substances such as dog waste and cat litter.
