**SUPERVISOR COMMENTS**

It was a busy night for the graveyard shift. Officers were busy with several calls that took more time than usual to work out. One officer from swingshift was held over for an hour due to several graveyard officers being out of town on prisoner transports and medical clearance. During the night officers responded to a subject who had thrown water and drinks on several bar patrons, as well as the DJ. The subject was kicked out of the bar, but he refused to leave the area and was causing a disturbance in front of the bar. Officers located the subject; however he was non-compliant and eventually kicked one of the officers. He was subdued and arrested for the assault. It was found that he had a concealed knife, and he was booked into jail for the assault, and having a concealed weapon.
