Happy Easter to all. Our shift started out very busy with a few calls that took a large response. One of those calls for service was a male walking around downtown with a gun. Officers located the male who had what appeared to be a gun in his hand. Officers were able to detain the subject and after further review of the gun it was deemed to be a replica of a gun used as a lighter. Officers responded to multiple collisions throughout the day with one of them being a DWI. Officers determined the driver to be over twice the legal limit and he was booked into Jail.

It was a very busy Easter for our shift. The first call of the day involved a subject armed with a firearm causing a disturbance in the 1400 block of Countryside. The subject was contacted and the firearm was determined to be an airsoft pistol.

Later, Turlock Police Dispatch received the report of a stabbing in the 1600 block of Lander Ave. Officers quickly responded to the scene to find a subject who sustained serious injuries. The subject was taken to a local area hospital. This is an on-going investigation. While officers were investigating the stabbing, an officer was flagged down regarding a dangerous driver.
