

# Roads Program Community Meeting

- Welcome, Introduction & Purpose of the Meeting
- Overview of the Roads Program
- Funding for the Roads Program
- Comment/Question Cards

CITY LIMITS

- In 2017, Stanislaus County passed Measure L, a  $\frac{1}{2}$  cent sales tax measure specifically for rehabilitation of roads.
- In November 2020, City of Turlock residents passed Measure A, a  $\frac{3}{4}$  cent sales tax measure for general City services.
- In Spring of 2021, Mayor Bublak announced the Roads Program Initiative.

# Pavement Management Report

## Presented to City Council on September 13, 2022

- City hired a consultant to evaluate the existing condition of the roads and update the StreetSaver database.
- A series of data collection was conducted to measure the pavement distress to determine which roads need the most attention. Findings were included in the Pavement Management Report.
  - LiDAR (Light Detection and Ranging)
  - LCMS (Laser Crack Measurement System)
- PCI = Pavement Condition Index (0-100)
  - Grades the overall health of a street's pavement.
  - 80 or higher means "State of Good Repair."

2029	85	85	DO NOTHING
2030	83	90	SLURRY SEAL
2031	82	89	DO NOTHING

# Selection Approach

- Per Council's direction, "residential" streets in Districts 1 & 2 are prioritized.
- PCI for each section along each street (Entire length except for previous construction, County islands, ROW issues, etc.)
- PCI for adjacent streets
- Potential for bundling as one bid package
- Impact on residents and businesses
- Drive streets for ride quality
- Walk streets to closely inspect and evaluate rehabilitation needs
- Curb & Gutter, Drainage improvements and Impacts on Driveways and Sidewalks, Tree Roots, ADA Curb Ramps, ROW Constraints, Encroachments on Public ROW, General Plan and Active Transportation Plan requirements, etc.
- Coordination with Municipal Services Department for underground work ahead of road work
- Consideration of future projects in the same area
- Goal is to select streets based on overall condition, bundle as a bid package, minimize impact on residents and businesses

# MASTER AGREEMENTS FOR DESIGN SERVICES

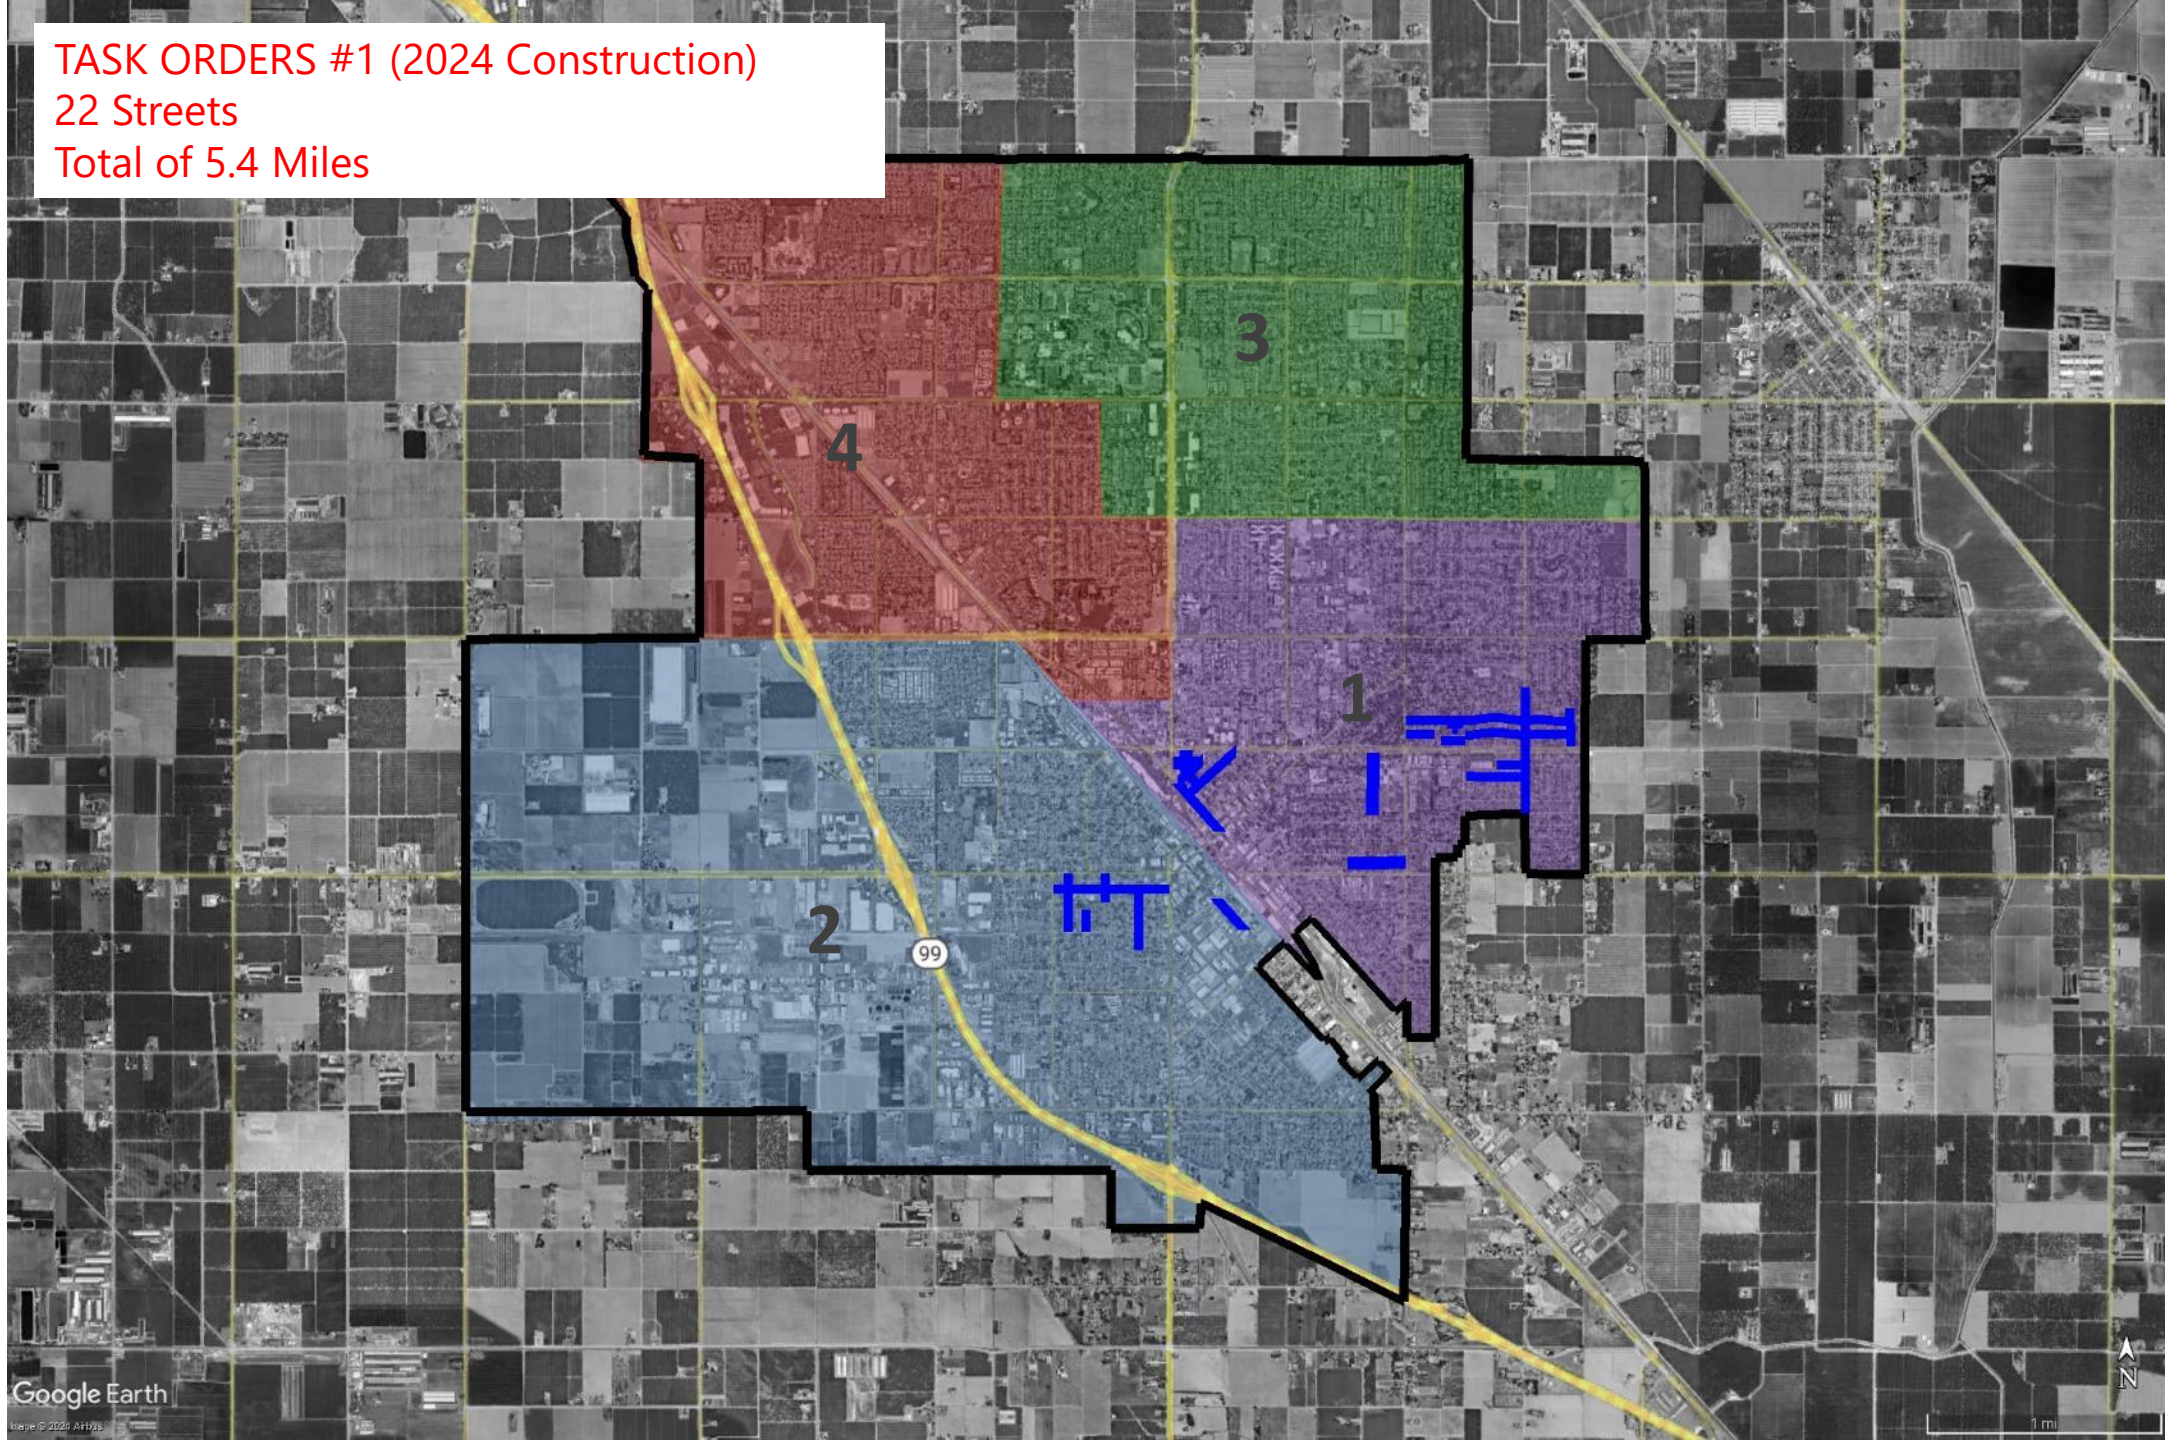

- Mark Thomas & Company, Inc.
- Provost & Pritchard Consulting Group
- Siegfried Engineering, Inc.
