

Parent pick-up traffic may exit out the North gate or the West gate

WEST GATE (Soderquist Rd.)
 Opens at 2PM;
 Only entrance to parent pick-up & drop-off area;
 Exiting traffic must turn left

NORTH GATE (Fulkerth Rd.)
 Exit only
 for both parents
 and float entries

Bus stop for one-way shuttle service to the line-up on E. Canal Dr. at Colorado Ave.
 Departure times will be approx. every 10-15 minutes from 4:15 p.m. to 6:15 p.m.

Parade floats may exit out the North Gate or the South Gate (after the last float arrives)

SOUTH GATE (N. Broadway)
 Opens @2PM for trailers;
 Entrance for all parade floats

Project: Christmas Parade Post-event Parking

Comments:

PARENTS / FRIENDS / VEHICLE DROP-OFF / SHUTTLE

The West Gate (Soderquist Rd.) is the only entrance to the parking lot. Parents and shuttle bus riders can park in the Green Zone. Parents may pick up kids in the "Waiting Area". All exiting traffic can either use the North Gate or West Gate to leave the parking lot. Nearby traffic signals will be adjusted for additional green time; however, due to the number of vehicles delays are expected. Parade participants (especially children) should wait for pick-up in the "Waiting Area" at the south end of the lot. The waiting area will be clearly illuminated with lights. Drivers using the West gate must turn left (south) on exiting.

PARADE ENTRIES / FLOATS

The South Gate (to N. Broadway) is the only entrance to the parking lot. All parade entries shall use this gate and stage in the "Float Parking Area" for unloading. Participants shall wait until the entry has come to a complete stop, disembark, and wait in the designated "Waiting Area" to be picked up. Exiting traffic can use the North Gate (anytime) or the South Gate (after all floats have arrived).
